

NGO support services – Ukraine Crisis

The humanitarian impact of the Russian invasion of Ukraine has been unprecedented. The refugee crisis alone has been ranked by the UN as second only to that witnessed during WW2.

The safety, security and wellbeing of the NGO community – local and international is essential to enable its vital work in Ukraine and in support of the refugees in its neighbouring states.

Here are just some of the ways we can support you...

Operational support on the ground

AKE has enabled and kept our NGO clients safe and secure in every conflict and reconstruction zone since 2001.

From your planning to your on-the-ground safety, we are here to support you with:

- Pre-deployment risk assessment
- In country security, medical & logistical support
- Tracking of your personnel
- 24/7 crisis response line
- Evacuation and repatriation

You can utilise our services via retained, project based or ad-hoc arrangements. [Find out more.](#)

Fast access & rolling HEAT courses

We have a few places left on our Fast Access HEAT course at our Centre of Training Excellence in Herefordshire on 14 -18 March.

For more information and to book, [click here.](#)

This course will include a Ukraine specific briefing and Q&A opportunity with AKE's Europe & Eurasia desk.

- Special rates for NGOs
- Refresher course available

Our UK HEAT and HEAT refreshers will be running continuously to ensure access to training is available when you need it.

Intelligence & analysis

Our **Ukraine Daily Security Update** report follows a format that we know works for and delivers value to our clients. A weekly subscription is just £60.

Check out a sample report [here](#) and subscribe [here](#).

We will be compiling this update daily until further notice and have set up an easy weekly subscription that can be cancelled at any time.

We can also support with your pre-deployment planning.

From short **Risk Briefs** to full **Risk Assessments**, telephone and video call consultancy, [get in touch](#) to learn more.

HEAT courses in Poland

We're finalising the dates and logistics for our upcoming Hostile Environments Awareness Training (HEAT) courses in Poland.

We're working to make it easier for the local and regional NGO community, and those organisations en-route to Ukraine – to access this valuable training.

Register your interest [here](#) and as soon as details are finalised we'll share them with you.
